Multiplier Sports Event 2 in Hungary

Second Multiplier Sport Event organized by **MERSE** took place on May, 14, 2023 in one of Eastern-Center of Cyclingsport in Hungary in the small city of Ibrány, the hometown of a lots of national championships and international cycling events. The interest in the seminar is reflected in the fact that the number of participants was much higher than previously planned, and that the proportion of young athletes and people interested in sport was significant.

Numerous achievements of the Erasmus+ Sport program – international cooperation and partnership were introduced as well as the project outputs, C-TRENDS digital platform, OptiCycle evaluation software, official website and the social media platforms to be able to have a deeper knowledge about all of them. During the event participants were encouraged to raise their questions and comments and receive immediate feed-backs.
