Multiplier Sports Event 2 in Cyprus

Second Multiplier Sport Event organized by **CARDET**, with the celebration of The Earth Day, took place on the 22nd of April 2023 at the Engomi Olympiados Park in Nicosia, Cyprus. The event consisted of a presentation of the project and its outputs, leaflets, and promotional material organized by the organization's project managers, who also coordinated the event.

There was an increased interest in participation through the promotion, and the attendees came from various ages and organizations.

Participants were informed about European program

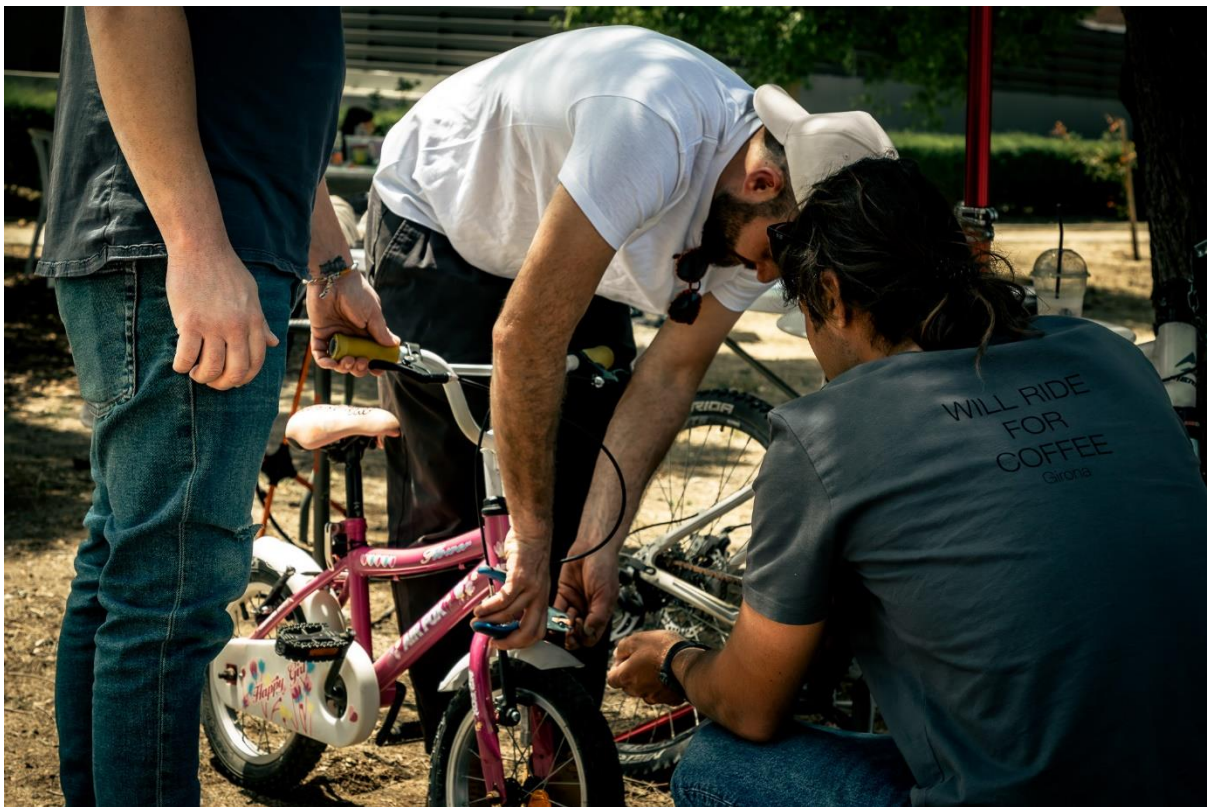

Erasmus+ Sport support and C-TRENDS project: background, aims, objectives, intellectual

outcomes, benefits of the project, guidance on how to use the digital platform, e-guides and OptiCycle app.

At the same time, we invited people to bring us their bicycles for as free service as well as organized an interactive workshop using augmented reality.
