## Multiplier Sports Event in Portugal

The Multiplier Sport Event in Portugal was organized by **MAIÊUTICA**. The event took place at the High Performance Centre of Anadia, Portugal – UCI Continental Satellite Centre on January 28, 2023.

In brief, the MSE was completed achieving its purpose. Participants were well informed about the project purpose and objectives, the innovative aspect of the platform, and were able to have access and read the content of the digital platform. In addition, participants were guided to create an account in the e-learning platform of the project, test the learning resources, and give feedback. This encouraged the participants, coaches and cyclists (amateurs and professionals) to engage with the resources developed.

In conclusion, the participants completed a satisfaction questionnaire.

The multiplier sports events are very important to disseminate the results of the project at a national level. It is a valuable opportunity, for the partners participating in the event to encounter other organizations interested in the topic well as local and national stakeholders and decision makers.
