Multiplier Sports Event in Hungary

The Multiplier Sport Event organized by **MERSE** took place at the Hotel Anna Villa, in Balatonföldvár, (Western) Hungary on March, 04, 2023. During the event participants were encouraged to raise their questions and comments and receive immediate feed-backs. The main idea was to introduce how the participants or other people who are interested in the achievements of the project use the results of the project in their daily work (as a performance optimization toolkit). Also, how they can use it to promote the importance of using bicycle as a transport. In addition, help the participants where they can find the information on C-Trend platform.

The sports professionals welcomed the EU-funded project and its results as a forward-looking initiative.
